

## SETTING UP AN ACCOUNT FOR YOUR CHILD/CHILDREN

MEMBERS: You will need to contact us before you set up an account for your child so we can add your children under your membership account. This is the only way you will receive the discounted member price for swim lessons. Email Jodi Heimrich at [jheimrich@firsthealth.org](mailto:jheimrich@firsthealth.org) to add your children to your membership. There is no additional cost to your membership if they are just doing swim lessons.

You will need to set up an account for your Child/children as follows:

Pinehurst:

<https://firsthealth.vfpnext.com/embed/engage/form/4635?Account=2153389&ClubID=2>

Southern Pines:

<https://firsthealth.vfpnext.com/embed/engage/form/4635?Account=2153389&ClubID=5>

Raeford:

<https://firsthealth.vfpnext.com/embed/engage/form/4635?Account=2153389&ClubID=3>

Sanford:

<https://firsthealth.vfpnext.com/embed/engage/form/4635?Account=2153389&ClubID>

Please make sure that the accounts are in your Child /children's names.

Once you have done that registration for members opens Friday, May 24<sup>th</sup> and Monday, May 27<sup>th</sup> for non-members for the June session of classes. It is best to make sure all accounts are set up ahead of time, so I can help you trouble shoot if needed.

All registrations are done online here: <https://www.ourclublogin.com/login/510589>

You will use the drop-down menu on the left and go to:

1. My Activities
2. Courses/events schedule
3. click on the month the classes will be held.
4. Choose the class for enrollment.

If you have any questions or issues, please let me know.
